YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

Statement By Board of Management

In our opinion, the financial statements set out on pages 6 to 32 are properly drawn up in accordance with Financial Reporting Standards in Singapore and the Societies Act, Cap. 311 so as to present fairly, in all material respects, the financial position of Young Women's Christian Association of Singapore (the "Association") as at 31 December 2018 and the financial performance, changes in funds and cash flows of the Association for the year ended on that date.

On behalf of the Board,

Ms Mavis Tsoi
President

Ms Irene Chao
Honorary Treasurer

Singapore, 30 MAR 2019

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Young Women's Christian Association of Singapore (the "Association") set out on pages 6 to 32, which comprise the statement of financial position (balance sheet) as at 31 December 2018, and the statement of comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act, Cap. 311 (the "Societies Act"), Charities Act, Cap. 37 (the "Charities Act") and Financial Reporting Standards in Singapore (FRSs) so as to give a true and fair view of the financial position of the Association as at 31 December 2018 and of the financial performance, changes in funds and cash flows of the Association for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the *Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the information included in Corporate Information 2018 and the Statement by Board of Management set out on pages 1 and 2 and the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Societies Act, Charities Act and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

The Board of Management is responsible for overseeing the Association's financial reporting process.

Continued

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion,

- (a) the accounting and other records required by the regulations enacted under the Societies Act and Charities Act to be kept by the Association have been properly kept in accordance with those regulations; and
- (b) the fund-raising appeal held during the year has been carried out in accordance with Regulation 6 of the Societies Regulations issued under the Societies Act and proper accounts and other records have been kept of the fund-raising appeal.

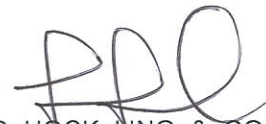

Continued

Report on Other Legal and Regulatory Requirements (Continued)

During the course of our audit, nothing has come to our attention that causes us to believe that during the year:

- (i) the use of the donation monies was not in accordance with the objectives of the Association as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (ii) the Association has not complied with the requirements of Regulation 15 (Fund-raising expenses) of the Charities (Institutions of a Public Character) Regulations.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

NOTES TO THE FINANCIAL STATEMENTS - 31 December 2018

The following notes form an integral part of the financial statements.

1. GENERAL INFORMATION

The Young Women's Christian Association of Singapore is an Association registered in Singapore under the Societies Act, Cap. 311 and the Charities Act, Cap.37. It is also an Institution of a Public Character ("IPC") under the Ministry of Social and Family Development for a period of three years till 30 June 2019. Its registered office is located at 254 Outram Road, Singapore 169051.

The principal activities of the Association consist of the provision of childcare services, educational support for children with special needs (mild), meals-on-wheels, senior citizens' fellowship and the operation of hostels.

The Association operates 10 (2017: 10) childcare centres and 2 (2017: 2) hostels in Singapore.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation

The Association presents its financial statements in Singapore dollars ("S\$"), which is also its functional currency.

These financial statements are prepared in accordance with the historical cost convention except as disclosed in the accounting policies below, and comply with Financial Reporting Standards in Singapore (FRS), including related Interpretations promulgated by the Accounting Standards Council.

During the financial year, the Association adopted all the applicable new/revised FRSs which are effective on or before 1 January 2018.

2.1.1 Adoption of FRSs effective in 2018

On 1 January 2018, the Association adopted the new or amended FRSs that are mandatory for application for the current financial year. Changes to the Association's accounting policies have been made as required, in accordance with the transitional provisions in the respective FRSs, as disclosed below.

(a) Adoption of FRS 115 Revenue from Contracts with Customers

The Association has adopted the new Standard using the modified retrospective approach with the cumulative impact of the adoption recognised in the opening general fund at 1 January 2018. Comparative information for 2017 were not restated.

The adoption of FRS 115 on 1 January 2018 did not result in significant changes to the recognition criteria for the Association's revenue arrangements. The accounting policies for revenue from contracts with customers under FRS 115 are disclosed in note 2.4.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.1 Basis of Preparation (continued)

2.1.1 Adoption of FRSs effective in 2018 (continued)

(b) Adoption of FRS 109 Financial Instruments

The Association has adopted the new Standard retrospectively from 1 January 2018, in line with the transition provisions permitted under the Standard. Comparatives for financial year 2017 were not restated and there was no significant difference between the carrying amounts at 31 December 2017 and 1 January 2018 which should be recognised in the opening general fund. The accounting policies for financial assets and liabilities under FRS 109 are disclosed in notes 2.13 and 2.17 respectively.

The effects on adoption of FRS 109 are described below:

There was no significant change to the measurement basis arising from the new classification and measurement model under FRS 109.

Cash and cash equivalents and receivables, previously classified as "loans and receivables" under FRS 39 and measured on amortised cost basis, continue to be accounted for using the amortised cost model under FRS 109.

Trade and other receivables are assessed for impairment on a forward-looking basis under the expected credit loss impairment model of FRS 109, whereas previously, impairment under FRS 39 was recognised only when there is objective evidence of incurred losses. The adoption of FRS 109 did not result in additional impairment allowances recognised as at 1 January 2018.

2.2 Significant Accounting Estimates and Judgements

Estimates, assumptions concerning the future and judgements are made in the preparation of the financial statements. They affect the application of the Association's accounting policies, reported amounts of assets, liabilities, income and expenses, and disclosures made. They are assessed on an ongoing basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances.

(A) *Key Sources Of Estimation Uncertainty*

The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) *Depreciation on Property, Plant and Equipment and Investment Property*

The costs of property, plant and equipment and investment property are depreciated on a straight line basis over their estimated useful lives. Management's estimates of the useful lives of property, plant and equipment and investment property are disclosed in notes 2.10 and 2.11 respectively. Changes in the expected usage and technological developments could impact the economic useful lives and the residual values of these assets. Therefore, future depreciation charges could be revised. The carrying amounts of property, plant and equipment and investment property and their respective depreciation charge for the year are disclosed in notes 9 and 10 respectively.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.2 Significant Accounting Estimates and Judgements (continued)

(A) *Key Sources Of Estimation Uncertainty* (continued)

(ii) *Impairment of Trade Receivables*

The impairment policy for bad and doubtful debts of the Association is based on the evaluation of collectability and ageing analysis of the hostel trade receivables and on management's judgement. At the balance sheet date, hostel trade receivables amounting to \$19,094 (2017: \$19,041) were past due but regarded as not impaired. A considerable amount of judgement is required in assessing the ultimate realisation of these receivables, including the current credit worthiness and the past collection history of each customer. If the financial condition of these customers were to deteriorate, resulting in an impairment of their ability to make payment, allowance for impairment will be required.

(iii) *Expected Credit Losses on Trade Receivables*

Expected credit losses (ECLs) are probability-weighted estimates of credit losses over the life of a financial instrument. In estimating ECLs to determine the probability of default of its debtors, the Association has used historical information, such as past credit loss experience. Where applicable, historical data are adjusted to reflect the effects of current conditions as well as management's assessment of future economic conditions based on observable market information, which involved significant estimates and judgement.

Based on the management's assessment, there are no significant ECLs on the Association's trade receivables as at date of balance sheet.

(B) *Critical Judgements Made In Applying Accounting Policies*

In the process of applying the Association's accounting policies, the management has made certain judgements, apart from those involving estimations, which have significant effect on the amounts recognised in the financial statements.

Impairment of Non-Financial Assets

The carrying amounts of the Association's non-financial assets subject to impairment are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such indication exists, the asset's recoverable amount is estimated based on the higher of the value in use and the asset's fair value less cost of disposal. Estimating the value in use requires critical judgment on the part of the management to make an estimate of the expected future cash flows from the continuing use of the assets and also to choose a suitable discount rate in order to calculate the present value of those cash flows.

2.3 FRSs issued but not yet effective

The Association has not applied any new FRS that has been issued but is not yet effective. The committees plan to adopt these FRSs in the financial year commencing on or after their respective effective dates.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.3 FRSs issued but not yet effective (continued)

The only new FRS issued but is not yet effective that is relevant to the Association's financial statements is FRS 116 Leases, which is effective for annual period beginning on or after 1 January 2019.

The nature of the impending changes in accounting policy on adoption of the above new FRSs are described below.

FRS 116 Leases

FRS 116, which replaces *FRS 17 Leases* and the related Interpretations when it becomes effective, requires lessees to recognise most leases on the balance sheet to reflect the rights to use the leased assets and the associated obligations for lease payments as well as the corresponding interest expense and depreciation charges. The Standard includes two recognition exemptions for lessees - short-term leases and leases of 'low value' assets.

Lessor accounting requirements under FRS 116 are substantially the same as the current FRS 17. A lessor continues to classify its leases as either operating leases or finance leases, and to account for those two types of leases differently.

Potential impact on financial statements

FRS 116 requires a lessee to apply this Standard retrospectively in accordance with the requirements of the Standard on its effective date on 1 January 2019.

Based on preliminary assessment of the Association's existing operating lease arrangements as a lessee, the management expects most of the operating leases to be recognised as right-of-use (ROU) assets with corresponding lease liabilities under the new Standard.

2.4 Revenue Recognition

Revenue is measured based on the consideration to which the Association expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Revenue is recognised when the Association satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time.

The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

The accounting policies for revenue recognition from 1 January 2018 under FRS 115 are as follows:

(i) *Membership Subscriptions*

Membership subscriptions are recognised as income upon receipt.

(ii) *Service Fees Income*

Service fees income are recognised at the date of commencement of the term or when services are rendered.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.4 Revenue Recognition (continued)

(iii) *Hostel, Food and Beverages Income*

Income from room sales and hostel related services are recognised when the services are rendered.

Income from sale of food and beverages are recognised upon delivery and acceptance by the customer.

(iv) *Donations and Fund Raising Income*

Provided there is evidence of entitlement, as expressed in writing, donations and income from fund raising events are recognised in profit or loss in the period of receipt or when they become receivable.

Donations-in-kind are recognised when the fair value of the assets received can be reasonably ascertained.

(v) *Interest Income*

Interest income is recognised on a time-proportion basis, using the effective interest method.

(vi) *Rental Income*

Rental income from operating leases is recognised on a straight line basis over the lease term.

2.5 Grants

A grant is recognised when there is reasonable assurance that the conditions attached to the grant are met and the right to receive payment is established.

(i) *Grants Related to Assets*

Grants related to the purchase of depreciable assets are taken to deferred capital grants account. The deferred grants are allocated to profit or loss over the period necessary to match the depreciation of the assets purchased with the related grants.

(ii) *Grants Related to Income*

Grants related to income are taken to profit or loss on a systematic basis over the periods in which the Association recognises as expenses the related costs for which the grants are intended to compensate. The grants and the related expenditure are presented separately in profit or loss.

2.6 Employee Benefits

(i) *Defined Contribution Plans*

The Association makes contributions to the state provident fund (Central Provident Fund). Such contributions are recognised as compensation expenses in the same period as the employment that gave rise to the contributions.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.6 Employee Benefits (continued)

(ii) *Short-term Compensated Absences*

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for employee entitlements to annual leave as a result of services rendered by employees up to the balance sheet date.

2.7 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, being assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets. Borrowing costs are capitalised until the assets are ready for their intended use or sale.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

2.8 Leases

Operating Leases

Leases whereby the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases.

When the Association is the lessor, assets leased out under operating leases are included in property, plant and equipment/investment property. Income arising from such operating lease is recognised on a straight line basis over the lease term.

When the Association is the lessee, operating lease payments are recognised as an expense in profit or loss on a straight line basis over the lease term.

2.9 Income Taxes

As a registered charity under the Charities Act, Cap. 37, the Association is exempted from income tax under Section 13(1)(zm) of the Income Tax Act, Cap.134.

2.10 Property, Plant and Equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Association and the cost of the item can be measured reliably.

Property, plant and equipment are stated at cost less accumulated depreciation and impairment loss, if any.

Any estimated costs of dismantling and removing the property, plant and equipment and reinstating the site to its original condition (reinstatement costs) are capitalised as part of the cost of the property, plant and equipment.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.10 Property, Plant and Equipment (continued)

Depreciation is calculated on the straight line basis so as to write off the cost, less the residual value, of the assets over their estimated useful lives. The estimated useful lives are as follows:

Building at Outram Centre	99 years
Building at Fort Canning Lodge (FCL)	30 to 35 years
Renovations and building improvements	3 to 35 years
Furniture and fittings	10 years
Office equipment and computer system	5 years
Electrical installations	10 years
Motor vehicles	5 years
Landscaping	10 years

Fully depreciated assets are retained in the financial statements until they are no longer in use.

The residual values, useful lives and depreciation methods of property, plant and equipment are reviewed and adjusted as appropriate at each financial year end.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the assets is included in profit or loss in the year the asset is derecognised.

2.11 Investment Property

Investment property is held for long term rental yields and/or for capital appreciation. Investment property is initially recognised at cost and subsequently carried at cost less accumulated depreciation and impairment loss, if any. Depreciation is calculated on the straight line basis over the remaining period of the lease, which will expire on 1 June 2076, so as to write off the cost, less residual value, of the asset over its estimated useful lives.

The residual value, useful life and depreciation method of investment property are reviewed and adjusted as appropriate, at each balance sheet date.

Investment property is subject to renovation or improvements at regular intervals. The costs of major renovations and improvements are capitalised as additions and the carrying amounts of the replaced components are written off to the statement of comprehensive income. The costs of maintenance, repairs and minor improvements are charged to the statement of comprehensive income.

On disposal of an investment property, the difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss.

2.12 Hostel Inventories

Hostel inventories, comprising unconsumed food and beverages, are stated at lower of cost and net realisable value. Cost is determined by applying the first-in first-out formula and comprises all costs of purchase and other costs incurred in bringing the inventories to their present location and condition.

The net realisable value is the estimated selling price in the ordinary course of business less selling expenses.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.13 Financial Assets

The accounting for financial assets from 1 January 2018 under FRS 109 is as follows:

Financial assets are classified into the following measurement categories:

- Amortised cost;
- Fair value through other comprehensive income (FVOCI); and
- Fair value through profit or loss (FVPL).

The basis of classification depends on the Association's business model and the contractual cash flow characteristics of the financial assets.

At initial recognition

At initial recognition, the Association measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial assets. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss. Trade receivables that do not have a significant financing component are measured at their transaction price at initial recognition.

At subsequent measurement

There are three prescribed subsequent measurement categories - at amortised cost, FVOCI and FVPL, depending on the Association's business model in managing the financial assets and the cash flow characteristics of the assets.

The Association's financial assets, comprising mainly trade and other receivables and cash and cash equivalents, are measured at amortised cost subsequent to initial recognition, as these represent contractual cash flows which represent solely payments of principal and interest. A gain or loss on a financial asset that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets are recognised using the effective interest rate method.

2.14 Receivables

Receivables that do not have a significant financing component are measured at their transaction price at initial recognition, and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses, as explained in note 2.20.

2.15 Cash and Cash Equivalents

Cash and cash equivalents comprise cash and bank deposits which are subject to insignificant risks of changes in value. Cash equivalents are stated at amounts at which they are convertible into cash.

2.16 Funds

General funds are unrestricted funds available for use at the discretion of the Board of Management for the furtherance of the Association's objectives.

Designated funds are unrestricted funds which are designated for specific projects or programmes. Currently, the Association has two designated funds, namely, Capital Replacement Fund and Training Fund as detailed in notes 15 and 16 respectively.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.17 Financial Liabilities

Financial liabilities include trade and other payables, payables to related parties, and interest-bearing loans and borrowings.

Financial liabilities are recognised on the balance sheet when the Association becomes a party to the contractual provisions of the financial instrument.

Financial liabilities are recognised initially at fair value, plus, in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

Subsequent to initial recognition, all financial liabilities are measured at amortised cost using the effective interest method, except for financial liabilities at fair value through profit or loss, including derivatives, which are measured at fair value. Financial liabilities with a short duration are not discounted.

A financial liability is derecognised when the contractual obligation is discharged or cancelled or expires. For financial liabilities other than derivatives, gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process. Any gains or losses arising from changes in fair value of derivatives are recognised in profit or loss. Net gains or losses on derivatives include exchange differences.

2.18 Provisions

Provisions are recognised when the Association has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount can be made.

2.19 Impairment of Non-Financial Assets

The carrying amounts of the Association's non-financial assets subject to impairment are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's fair value less cost of disposal and its value in use. The value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life.

An impairment loss on a non-revalued asset is recognised in profit or loss. An impairment loss on a revalued asset is recognised in other comprehensive income to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same asset. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount or when there is an indication that the impairment loss recognised for the asset no longer exists or decreases. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised.

2.20 Impairment of Financial Assets

The Association assesses on forward looking basis the expected credit losses associated with its debt instruments carried at amortised cost, and recognises a loss allowance accordingly.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.20 Impairment of Financial Assets (continued)

At each reporting date, the debt instruments are assessed to determine whether there is significant increase in credit risk on the debt instruments since initial recognition. If there is a significant increase in credit risk since initial recognition, lifetime expected credit losses will be calculated and recognised in the loss allowance. If credit risk on the debt instrument has not increased significantly since initial recognition, the loss allowance is measured based on 12-month expected credit losses. Adjustments to the loss allowance are recognised in profit or loss as an impairment gain or loss.

For trade receivables, the Association applies the simplified approach permitted by FRS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Prior to 1 January 2018, an impairment loss is only recognised when there is objective evidence that the Association will not be able to collect all amounts due according to the original terms of the receivable. The amount of the impairment loss is measured as the difference between the carrying value of the receivable and the present value of the estimated future cash flows discounted at the original effective interest rate. The carrying amount of the receivable is reduced directly or through the use of an allowance account. The amount of the loss is recognised in profit or loss.

3. SERVICE CENTRE FEES

(Registered under the Societies Act, Chapter 311)

9. PROPERTY, PLANT AND EQUIPMENT (continued)

The building at Outram Centre has a 99-year lease commencing from 1 July 1956.

The building at FCL refers to the Fort Canning Lodge (FCL). Approximately 75% of the land on which FCL is situated is leasehold land with a 999-year lease commencing from 1 July 1914 whilst the remaining 25% of the land is leasehold land with a 99-year lease that expired on 31 December 2014. The Association has obtained a renewal of this expired lease for a further term of 30 years from 1 January 2015 to 31 December 2044.

The building at FCL with a carrying amount of \$14,631,685 (2017: \$15,519,745) has been mortgaged to secure banking facilities granted to the Association.

Included in the carrying amount of renovation is an amount of \$152,008 (2017: nil) representing provision for reinstatement costs.

10. INVESTMENT PROPERTY

	<u>2018</u>	<u>2017</u>
	\$	\$
<u>Cost</u>		
At 1 January and 31 December	<u>652,725</u>	<u>652,725</u>
<u>Accumulated depreciation</u>		
At 1 January	303,076	297,090
Charge for the year	<u>5,985</u>	<u>5,986</u>
At 31 December	<u>309,061</u>	<u>303,076</u>
<u>Carrying amount</u>		
At 31 December	<u>343,664</u>	<u>349,649</u>

The above investment property, comprising two commercial units at Orchard Plaza, has a 99-year lease expiring on 1 June 2076.

The fair value of the property, amounting to approximately \$2.13 million (2017: \$2.13 million) as at balance sheet date, is determined by independent professional valuers, Premas Valuers & Property Consultants Pte Ltd, on the basis of comparable sales by reference to market evidence of transaction prices for similar properties. This represents fair value measurement under hierarchy level 2, as explained in note 29.

11. HOSTEL INVENTORIES

	<u>2018</u>	<u>2017</u>
	\$	\$
Hostel inventories, at cost	<u>17,114</u>	<u>28,204</u>

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

12. TRADE RECEIVABLES

	<u>2018</u>	<u>2017</u>
	\$	\$
Hostel trade receivables	289,904	269,153
Less: Allowance for doubtful debts		
Balance brought forward	-	-
Current year's allowance	(6,034)	-
Balance carried forward	(6,034)	-
	283,870	269,153

Trade receivables are non-interest bearing and are generally on 30 days' (2017: 30 days') terms. They are recognised at their original invoice amounts which represent their fair values on initial recognition.

13. OTHER RECEIVABLES

	<u>2018</u>	<u>2017</u>
	\$	\$
Partner Operator (POP) Scheme Grant receivables	269,269	244,215
Non-trade receivables	25,657	184,234
Deposits	127,820	140,434
Interest receivables	103,193	75,644
Prepayments	96,746	277,852
	622,685	922,379

Non-trade receivables and deposits are unsecured, non-interest bearing and expected to be repayable on demand.

14. FIXED DEPOSITS WITH FINANCIAL INSTITUTIONS

	<u>2018</u>	<u>2017</u>
	\$	\$
Fixed deposits with banks	14,250,917	12,326,999

Fixed deposits amounting to \$ nil (2017: \$175,000) have been pledged to banks as securities for overdraft and performance guarantee facilities.

Fixed deposits mature within one year (2017: one year) and earn interest at rates ranging from 1.38% to 1.70% (2017: 0.07% to 1.30%) per annum.

The funds represented by the above fixed deposits are as follows:-

	<u>2018</u>	<u>2017</u>
	\$	\$
General fund	12,671,868	11,098,944
Capital replacement fund (note 15)	1,560,325	1,184,603
Training fund (note 16)	18,724	43,452
	14,250,917	12,326,999

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

15. CAPITAL REPLACEMENT FUND

	<u>2018</u>	<u>2017</u>
	\$	\$
Balance at beginning of the year	1,184,603	1,480,337
Movements for the year:		
Amount transferred from General Fund	500,000	-
Amount utilised	(124,278)	(295,734)
Net movements for the year	375,722	(295,734)
Balance at end of the year (note 14)	1,560,325	1,184,603

The Capital Replacement Fund is an unrestricted designated fund set up by the Board of Management for the purpose of funding the refurbishment and renovation of Fort Canning Lodge (FCL). FCL contributes part of its operating surplus on a regular basis to build up this fund. From time to time, the Board determines and authorises the amount of operating surplus derived from FCL's operations to be transferred from the General Fund to this fund.

16. TRAINING FUND

	<u>2018</u>	<u>2017</u>
	\$	\$
Balance at beginning of the year	43,452	52,568
Amount utilised during the year	(24,728)	(9,116)
Balance at end of the year (note 14)	18,724	43,452

The Training Fund is an unrestricted designated fund used to fund teachers training programmes for the service centres.

17. DEFERRED CAPITAL GRANTS

	<u>2018</u>	<u>2017</u>
	\$	\$
Balance at beginning of the year	74,411	81,397
Add: Grants received during the year	-	36,008
Less: Amortisation of deferred capital grants during the year	(32,224)	(42,994)
Balance at end of the year	42,187	74,411

The above represents government grants received for the purpose of funding capital expenditure and major repair works carried out in various childcare development centres operated by the Association.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

18. TRADE PAYABLES

	<u>2018</u>	<u>2017</u>
	\$	\$
Hostel trade payables	114,644	92,879
Goods and Service Tax payables	<u>233,122</u>	<u>160,927</u>
	<u>347,766</u>	<u>253,806</u>

Trade payables are non-interest bearing and are normally settled within 30 days (2017: 30 days).

19. OTHER PAYABLES AND PROVISIONS

	<u>2018</u>	<u>2017</u>
	\$	\$
<u>Current liabilities</u>		
Non-trade payables	259,779	200,131
Refundable deposits	920,514	614,944
Accruals	853,704	1,033,989
Provision for unutilised annual leave	<u>33,723</u>	<u>36,113</u>
	<u>2,067,720</u>	<u>1,885,177</u>
<u>Non-Current liability</u>		
Provision for reinstatement costs	<u>190,010</u>	<u>-</u>
	<u>2,257,730</u>	<u>1,885,177</u>

Non-trade payables and accruals are unsecured, non-interest bearing and are normally settled within 30 days or on demand.

Provision for reinstatement costs represents the estimated costs of restoring the leased premises from third parties to their original condition. The reinstatement costs are capitalised as part of the cost of renovation under property, plant and equipment.

20. DEFERRED INCOME

	<u>2018</u>	<u>2017</u>
	\$	\$
Income received in advance due within 1 year	<u>606,857</u>	<u>15,939</u>
Income received in advance comprise:		
Operating lease income	591,387	-
Service fees income	<u>15,470</u>	<u>15,939</u>
	<u>606,857</u>	<u>15,939</u>

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

22. RELATED PARTIES

For the purpose of these financial statements, parties are considered to be related to the Association if the Association has the ability to, directly or indirectly, control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Association and the party are subject to common control or common significant influence. Related parties may be individuals or other entities.

The Association is governed by the Board of Management which is the final authority and has overall responsibility for policy making and determination of all activities. Members of the Board of Management are volunteers and receive no monetary remuneration for their contribution, except for reimbursement of out-of-pocket expenses.

The Association has in place a conflict of interest policy in its code of conduct. All members of the Board of Management and key management personnel are required to declare their interests yearly.

- (i) The total key management personnel compensation included in employee benefits expense are as follows:

	<u>2018</u>	<u>2017</u>
	\$	\$
Short-term employee benefits	393,070	383,196
Employer's contributions to Central Provident Fund	<u>35,446</u>	<u>34,376</u>
	<u>428,516</u>	<u>417,572</u>
Number of key management personnel	<u>3</u>	<u>3</u>

- (ii) The annual remuneration of the three highest paid staff classified by remuneration bands are as follows:

	<u>No. of Staff</u>	
	<u>2018</u>	<u>2017</u>
Annual remuneration		
- more than \$200,000 but less than \$300,000	1	1
- more than \$100,000 but less than \$200,000	2	1
- not more than \$100,000	-	1

YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SINGAPORE

(Registered under the Societies Act, Chapter 311)

23. PURCHASE OF PROPERTY, PLANT AND EQUIPMENT

The Association's additions to property, plant and equipment comprise of the following:

	<u>2018</u>	<u>2017</u>
	\$	\$
Acquisition by cash	1,032,970	416,664
Provision for reinstatement costs (note 19)	190,010	-
	<u>1,222,980</u>	<u>416,664</u>

24. CASH AND CASH EQUIVALENTS

Cash and cash equivalents in the Statement of Cash Flows comprise cash and bank balances as shown in Statement of Financial Position.

25. OPERATING LEASE COMMITMENTS

- (i) Operating lease commitment – where the Association is a lessee

The Association leases office equipment from non-related parties under non-cancellable operating leases.

As at the balance sheet date, the Association has the following lease commitments under non-cancellable operating leases where the Association is the lessee:

	<u>2018</u>	<u>2017</u>
	\$	\$
Lease payments due		
within 1 year	24,900	29,220
after 1 year but not later than 5 years	40,109	65,009
	<u>65,009</u>	<u>94,229</u>

The above operating lease commitments are based on known rental rates as at the date of this report and do not include any revision in rates which may be determined by the lessor.

- (ii) Operating lease commitment – where the Association is a lessor

The Association leases out demised premises, retail space, swimming pool and carpark at FCL building and its investment property to non-related parties under non-cancellable operating leases.

The future minimum lease receivables under non-cancellable operating leases contracted for at the balance sheet date but not recognised as receivables, are as follows:

	<u>2018</u>	<u>2017</u>
	\$	\$
Lease income receivable		
within 1 year	960,359	184,240
after 1 year but not later than 5 years	2,197,451	141,100
	<u>3,157,810</u>	<u>325,340</u>

The above operating leases do not provide for contingent rents.

26. CAPITAL COMMITMENTS

At the balance sheet date, the Association has capital commitments amounting to \$470,950 (2017: \$153,506) in respect of contracted expenditures for the upgrade and installation of computerised management systems and renovation works which have not been provided for in the financial statements.

27. FINANCIAL RISK MANAGEMENT

The Association is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks are credit risk, liquidity risk and interest rate risk. The Board of Management reviews and agrees on policies for managing each of these risks and they are summarised below:

(i) Credit Risk

Credit risk is the potential risk of financial loss resulting from the failure of customers or other counterparties to settle their financial and contractual obligations to the Association as and when they fall due.

The management monitors the Association's exposure to credit risks on an ongoing basis.

Credit evaluations are performed on all customers requiring credit over a certain amount.

Deposits are collected by the service centres in respect of childcare services provided.

Credit evaluations are performed on all tenants. Tenants are required to place security deposits with the Association at the commencement of each tenancy term.

As at the balance sheet date, there was no significant concentration of credit risk. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the balance sheet.

Recognition of Expected Credit Losses (ECL)

The Association's financial assets that are subject to credit losses where the expected credit loss model has been applied are trade receivables. The Association assesses on forward looking basis the expected credit losses on its trade receivables, and recognises a loss allowance in accordance with FRS 109.

Based on the Association's historical collection trend, most trade receivables are settled within credit term. Any trade receivables that are settled after their due date are not significant, and there is a low risk of default. Trade receivables are assessed on a collective basis to determine whether there are changes in credit risk. Lifetime expected credit losses are recognised for specific receivables for which credit risk is deemed to have increased significantly.

Impairment recognition in FY2017

Prior to 1 January 2018, the Association conducts ongoing credit evaluations on all customers and, where necessary, maintains an allowance for doubtful receivables which will adequately provide for potential credit risks. When there is objective evidence that the Association will not be able to collect all amounts due according to the original terms of the receivables, an impairment loss is recognised. Individual receivables which were known to be uncollectible were written off by reducing the carrying amount directly. The amount of the loss is recognised in profit or loss.

(Registered under the Societies Act, Chapter 311)

27. FINANCIAL RISK MANAGEMENT (continued)

(i) Credit Risk (continued)

Financial assets that are neither past due nor impaired

Trade and other receivables that are neither past due nor impaired are creditworthy debtors with good payment record with the Association.

Financial assets that are past due but not impaired

The Association has trade receivables that are past due but not impaired. These trade receivables are unsecured and the analysis of their aging at balance sheet date is as follows:

	<u>2018</u>	<u>2017</u>
	\$	\$
Hostel trade receivables past due:		
1 to 30 days	13,106	14,709
31 to 60 days	-	4,332
Over 60 days	5,988	-
	<u>19,094</u>	<u>19,041</u>

Financial assets that are impaired

The carrying amount of trade receivables individually determined to be impaired as at the balance sheet date is \$6,034 (2017: nil). The movements in the related allowance for doubtful debts are disclosed in note 12 to the financial statements.

(ii) Liquidity Risk

Liquidity risk is the risk that the Association will encounter difficulty in meeting financial obligations due to shortage of funds.

The Association monitors its liquidity risk and maintains a level of cash and cash equivalents deemed adequate to finance the Association's operations and to mitigate the effects of fluctuation in cash flows.

All financial liabilities of the Association are repayable on demand or mature within one year.

(iii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of the Association's financial instruments will fluctuate because of changes in market interest rates.

The Association does not have material interest-bearing financial liabilities and has incurred minimal finance costs during the year. Its exposure to changes in interest rates relates primarily to interest-bearing bank deposits. The Association monitors movements in interest rates to ensure deposits are placed with financial institutions offering optimal rates of return.

The interest rates and terms of maturity of financial assets of the Association are disclosed in note 14 to the financial statements.

(Registered under the Societies Act, Chapter 311)

28. RESERVES MANAGEMENT

The primary objective of the Association's reserves management policy is to ensure that it maintains strong and healthy capital ratios in order to support its operations and future growth.

The Association targets to maintain an optimum level of general fund which is equivalent to three years of its budgeted expenditures relating to the operations of its service centres. The Association regularly reviews and manages its reserves to ensure optimal capital structure, taking into consideration the future capital requirements of the Association and capital efficiency, prevailing and projected profitability, projected operating cash flows and projected capital expenditures.

As disclosed in notes 15 and 16 to the financial statements, the Association also maintains designated funds to ensure adequate resources are set aside for capital replacement and staff training purposes.

The Association is not subject to externally imposed capital requirements.

There were no changes to the Association's approach to reserves management since the previous financial year.

29. FAIR VALUE OF ASSETS AND LIABILITIES

(a) The Association categorises fair value measurements using a fair value hierarchy that is dependent on the valuation inputs used, as follows:

- Level 1 - quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - valuation techniques using inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - valuation techniques using inputs for the asset or liability that are not based on observable market data (unobservable inputs).

(b) Fair Value of Non-Financial Assets

The Association does not apply fair value accounting in the measurement of its non-financial assets. However, the fair value of its investment property is disclosed in note 10 for compliance with *FRS 40 Investment Property*.

(c) Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, receivables and payables classified as current assets and current liabilities, which are measured on the amortised cost basis, approximate their fair values due to their short term nature.

(d) Financial Instruments by Category

The aggregate carrying amounts of financial instruments classified as financial assets and financial liabilities at amortised cost are as follows:

	<u>2018</u>	<u>2017</u>
	\$	\$
Financial assets at amortised cost	18,813,598	15,835,448
Financial liabilities at amortised cost	2,148,641	1,941,943
